Health to Happiness

Research-driven enzyme and probiotic solutions for pharma, food, feed and industry — made in India, trusted in 21 countries.

Since 2012

GMP · ISO 9001:2015

Surat, India

WHO WE ARE

Biotechnology that transforms industries and improves lives.

Since 2012, **Enzyme Bioscience Pvt. Ltd.** has been at the forefront of biotechnology innovation, developing enzyme and probiotic solutions that transform industries and improve lives.

We are a research-driven organisation with excellent in-house R&D and quality control laboratories, ensuring every formulation meets the highest standards of purity, stability and performance.

2012
Innovating in enzymes
& probiotics since

21
Countries served
across 5 continents

6
Global quality & food-
safety certifications

8
Industries served, from
pharma to leather

**In-house R&D**

Application-specific formulation engineering backed by our own laboratories.

**Quality Control**

Every batch tested for purity, stability and performance before release.

**Global Reach**

Proven performance across diverse geographies and regulatory markets.

QUALITY YOU CAN TRUST

Quality isn't just a promise. It's a practice.

Our certifications reflect an unwavering commitment to safety, purity and excellence across every stage of development and manufacturing.

**FDA**

Registered facility

**ISO 9001:2015**

Certified company

Safety

Our certifications reflect an unwavering commitment to safety across every stage of development and manufacturing.

Purity

In-house QC laboratories verify every formulation against the highest standards of purity and stability.

Excellence

GMP-compliant systems with in-process monitoring, analytical validation and strict batch-release protocols.

WHAT WE MAKE

One partner for enzymes, probiotics & custom blends.

01

Pharma Enzymes

High-purity IP / BP / USP grade enzymes for therapeutic use.

9

products

p. 05

02

Food & Feed Enzymes

Natural enzymes for food quality, digestion and feed efficiency.

30

enzymes

p. 06

03

Probiotics

Human-grade and animal-grade strains, 1 BN to 400 BN potency.

52

strains

p. 07

04

Industrial Enzymes

Bakery, detergent, textile and leather processing solutions.

22

products

01 — PRODUCTS

Pharma Enzymes

Pharmacopoeia-grade enzymes (IP / BP / USP / EP) for digestive, anti-inflammatory and therapeutic formulations.

High-purity enzymes for safe and effective therapeutic use.

#	PRODUCT NAME	BRAND NAME
01	Bromelain	EB-BromZyme
02	Serratiopeptidase IP	EB-SerraZyme
03	Trypsin Chymotrypsin Mix (6:1)	EB-TrypChymo
04	Trypsin USP/BP	EB-TrypZyme
05	Pancreatin IP/BP/USP/EP	EB-PancraZyme
06	Pepsin IP/USP	EB-PepZyme
07	Fungal Diastase IP	EB-FungaDiast
08	Papain IP/USP	EB-PapaZyme
09	Alpha Amylase IP	EB-AmylZyme

02 — PRODUCTS

Food & Feed Enzymes

Food grade

Natural enzymes to enhance food quality and digestion.

Feed grade

Improving feed efficiency and animal performance naturally.

<i>L. sporogenes</i>	EB-LO41	1–200 BN	EB-LO41-A

How to read this table. Potency is shown as a range in BN (billion). Animal-grade strains carry the same code with an **-A** suffix. Clinically trusted probiotics for long-term wellness — and for better growth and performance in animals.

Bakery Enzymes

Precision enzymes for consistent results in every bake.

Fungal Amylase	BakeZyme FA-SUP
Lipase	BakeZyme LP-SUP
Maltogenic Amylase	BakeZyme MA-SUP
Glucose Oxidase	BakeZyme GO-SUP
Cellulase	BakeZyme CL-SUP
Glucoamylase	BakeZyme GA-SUP
Bacterial Amylase	BakeZyme BA-SUP
Xylanase	BakeZyme XL-SUP

Detergent Enzymes

Efficient, safe & effective stain removal.

Cellulase	DetZyme-CL
Lipase	DetZyme-LP
Protease	DetZyme-Pro
Amylase	DetZyme-Amy
Multi-enzyme Blend	DetZyme-APL
Premium Blend	DetZyme-Super

Textile Enzymes

Bio-polishing, desizing & fabric finishing.

Bacterial Alpha Amylase (Liquid)	Textzyme-BAA CONC
Bacterial Alpha Amylase (Powder)	Textzyme-BAA
Neutral Cellulase	Textzyme-NC
Acid Cellulase	Textzyme-AC

Leather Enzymes

Dehairing, bating & tanning with less chemical load.

Alkaline Protease	LTZyme-SOAK
Alkaline Protease	LTZyme-BATE
Acid Protease	LTZyme-ACID BATE
Amylase	LTZyme-AMYL

SERVING CUSTOM BLENDS

Formulated around your needs.

Our ENZYVIVE® range shows what tailored enzyme & probiotic blends can do — targeted, premium and ready for your brand.

**ENZYVIVE®**
Slim

Metabolism support blend designed for healthy weight and efficient digestion.

**ENZYVIVE®**
Energy

Vitality & strength blend — a premium formula to boost energy and nutrient absorption.

**ENZYVIVE®**
Beauty

Skin & hair wellness blend, nourishing to promote glow and inner beauty support.

Customised enzyme & probiotic blends

Formulated exactly to meet your specific requirements.

sales@enzymebio.com

INDUSTRIES WE SERVE

Enzyme science for eight industries.

Pharma

Science-driven enzyme care for better health, supporting natural body balance.

Food & Beverage

Enzymes for baking, dairy, juice processing & flavour — improving texture, shelf life & nutrition.

Animal Feed

Probiotic and enzyme solutions that boost digestion, improve FCR & promote animal health.

Brewery & Distillery

Specialised enzymes for fermentation, clarification and alcohol yield optimisation.

Bakery

Precision enzymes for perfect bakery results — consistency you can trust in every bake.

Detergent

Advanced enzyme technology for deep cleaning: efficient, safe & effective stain removal.

Textile

Bio-polishing, desizing & fabric finishing enzymes for eco-friendly textile processing.

Leather

Enzymatic dehairing, bating & tanning that reduce chemical usage and wastewater pollution.

WORLDWIDE PRESENCE

From Surat to the world.
